For God and Country, we, the FBI National Academy Associates, associate ourselves together for the following purposes:

To uphold and defend the Constitution of our respective country. To protect our country from any and all enemies, whether foreign or domestic. To promote training programs in the various duly constituted law enforcement agencies within our country, giving to the members thereof the benefit of our training received at the FBI National Academy. To cooperate with the Federal Bureau of Investigation in every way possible. To use and encourage the use of the facilities of the Bureau available to all Law Enforcement agencies. To perpetuate the memory of our Association with the members of our class, associates, and faculty, and to encourage attendance at all Retraining Sessions. To encourage and assist in the enlightenment and education of the general public. To cooperate with all duly constituted law enforcement agencies and officers, and the general public, in all matters of mutual interest, and particularly, the exchange and dissemination of ideas and information; the detection and prevention of crime and the apprehension of criminals; to strive for the highest degree of respect for law and order and the maintenance thereof; and

To these ends, we pledge to always conduct ourselves in a manner that will lend strength, dignity and credit to the profession of law enforcement.
